8. We are again offering participants the following options:
  - **FULL KIT PROGRAM** - receive **entire kit of focus fabric** at the start of the project. This is great for those who live out of town, or don't want to have to show their completed blocks every month. Pick up in person or we can mail it to you.
  - **PATTERN ONLY**: Purchase only the pattern and buy your own focus fabric. .

***NOTE: WITH THESE TWO OPTIONS, access to printed and video instructions will be made available at the same time as regular monthly participants.***

9. You will have the opportunity to familiarize yourself with a variety of rulers used to make your cutting and piecing more efficient and precise. The rulers will be featured in the monthly printed and video instructions.
10. If you do not have a specific ruler or notion for this quilt, and would like to purchase one, you will get a **10%** discount on the ruler at Bernina World of Sewing.
11. All participants will be offered access to **monthly printable instructions and monthly videos** showing exactly how to cut and assemble your blocks.
12. All participants will be offered access to a private FaceBook group which will be monitored by people who have made the quilt, allowing you to ask questions and get answers from pros who have made this quilt.

13. In addition, through the private FaceBook group, you will be able to connect with others who are making the quilt – make new friends, share tips, and photos of your progress.
14. **Not a FaceBook member ?** – No problem. You will still receive access to the printed and video instructions every month. We will have a Holiday Party in December to celebrate our success !
15. Most importantly, a **GOOD TIME** will be had by **ALL** !
